- all-in-one carry bag

LITTLE LOOTM

Why?

When away from home, toilets are often hard to come by, and in many cases a child may be forced 'to go' in a sub-optimal environment - such as dirty or dangerous public toilets that are not cleaned and maintained well.

We created LITTLE LOO to give children a wonderfully convenient, clean and fast, portable solution for using the toilet when 'on the go'...

Folded Seat with
pre-set Disposable Bag

Ergonomics and use

We designed LITTLE LOO to work really well ergonomically - and it will be safe and comfortable for kids to use from 2 to 8 years old.

- 7-8 Years
- 4-6 Years
- 2-3 Years

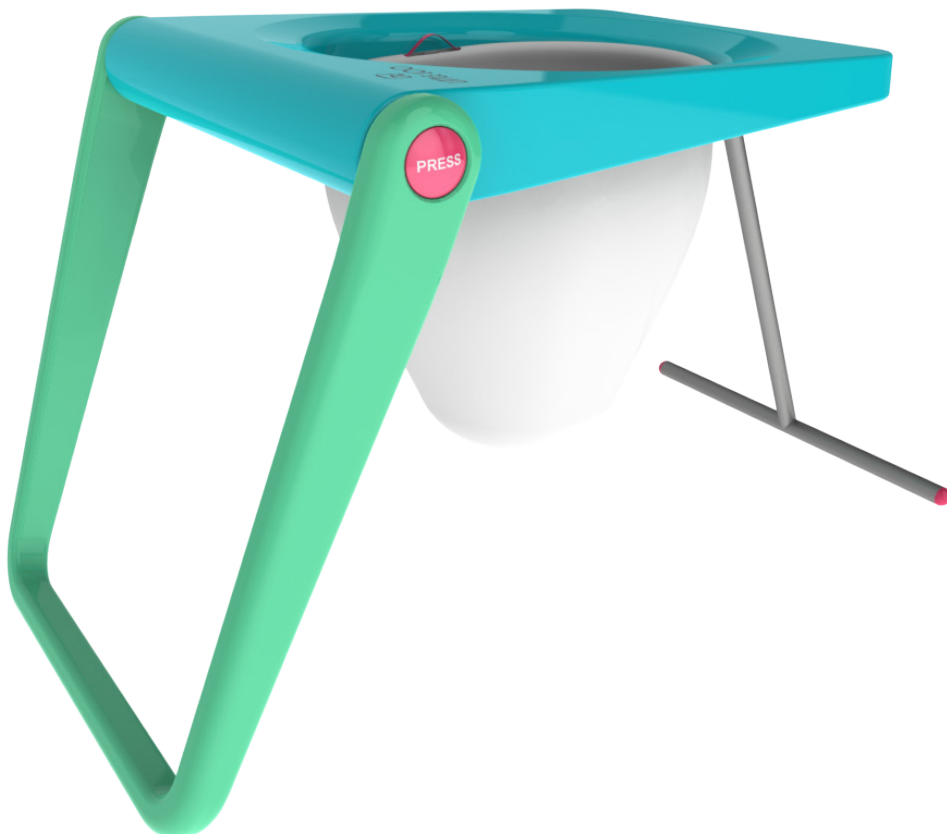

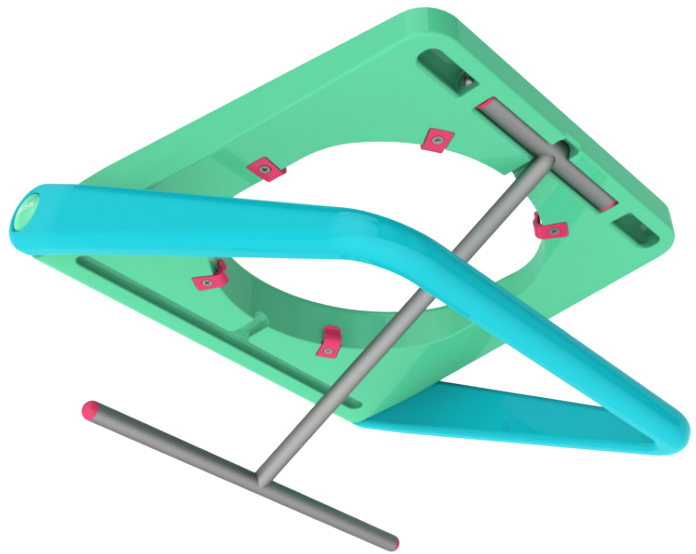

Design

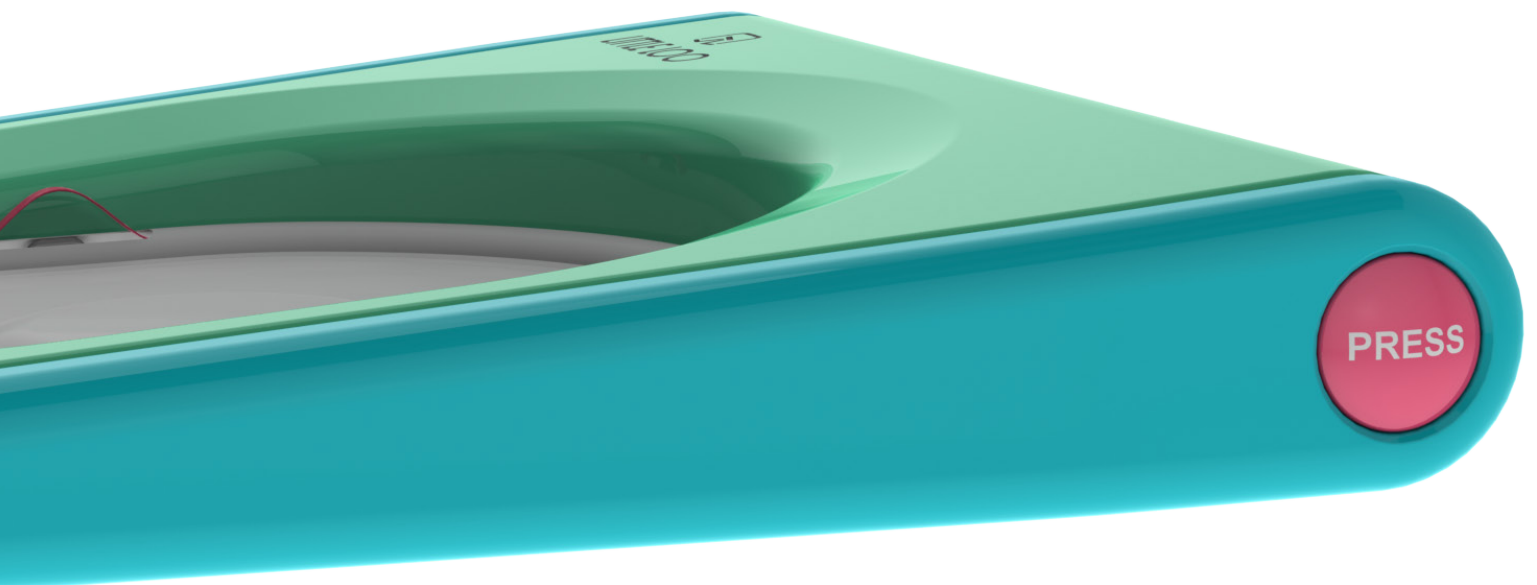

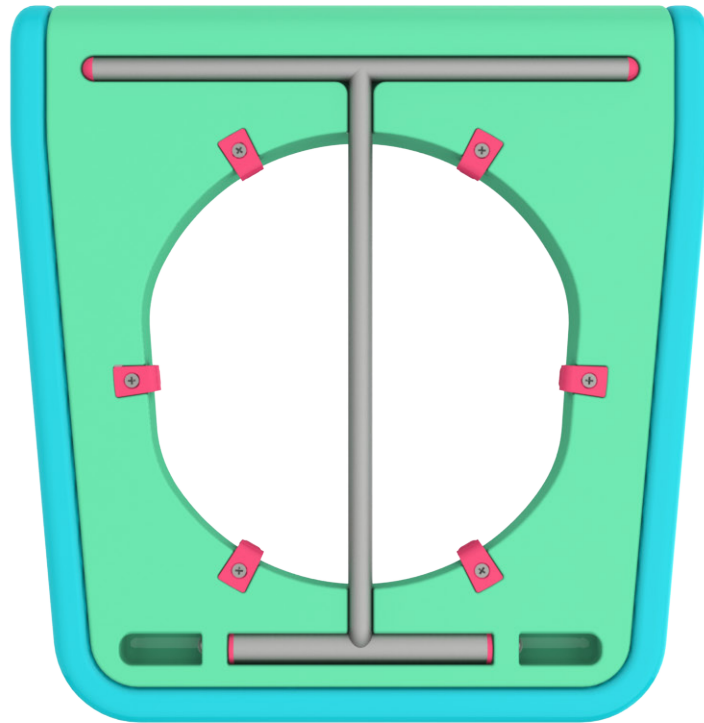

LITTLE LOO has been crafted beautifully in form, function and assembly:

- simple, fast folding action
- locking features for safety in use
- strong but minimal and classic form
- durable materials and fresh colours

Portable

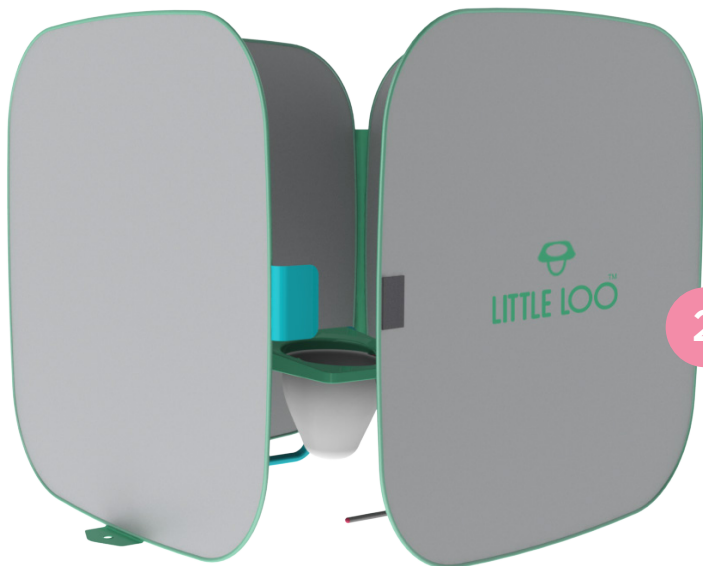

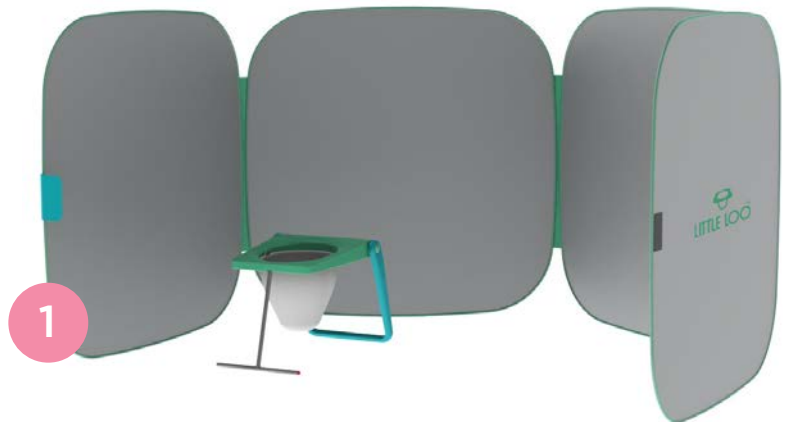

LITTLE LOO folds up FLAT to measure just
310 wide x 304 long x 40 height (mm)

Pop-up Tent

LITTLE LOO will include a easy-to-use Pop-up tent where privacy is absolutely required - however the Loo can of course be used without the screen!

Flexible folding cube design

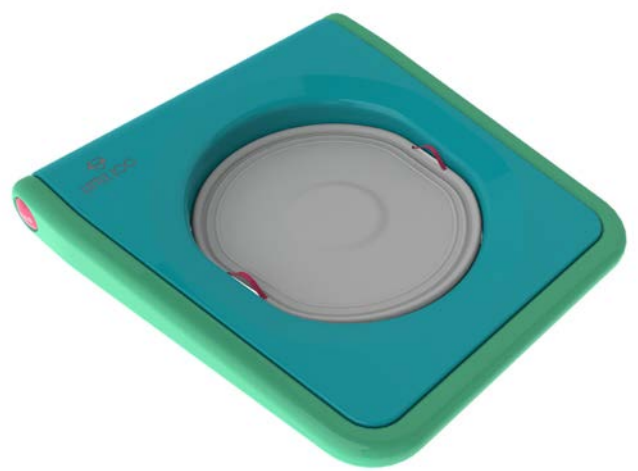

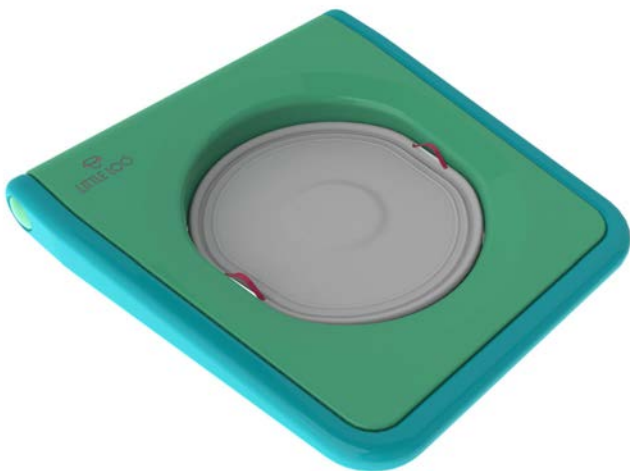

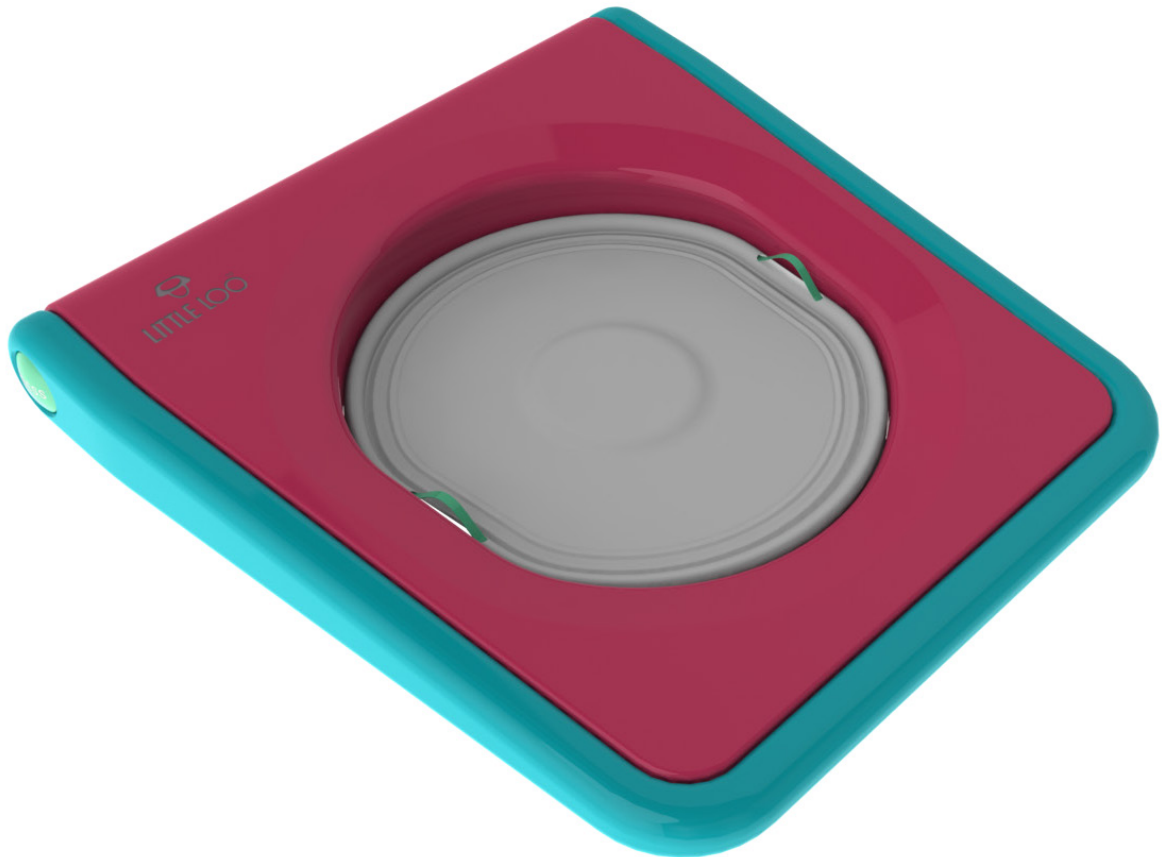

Can be setup partially open, where the parent needs to provide support and assistance

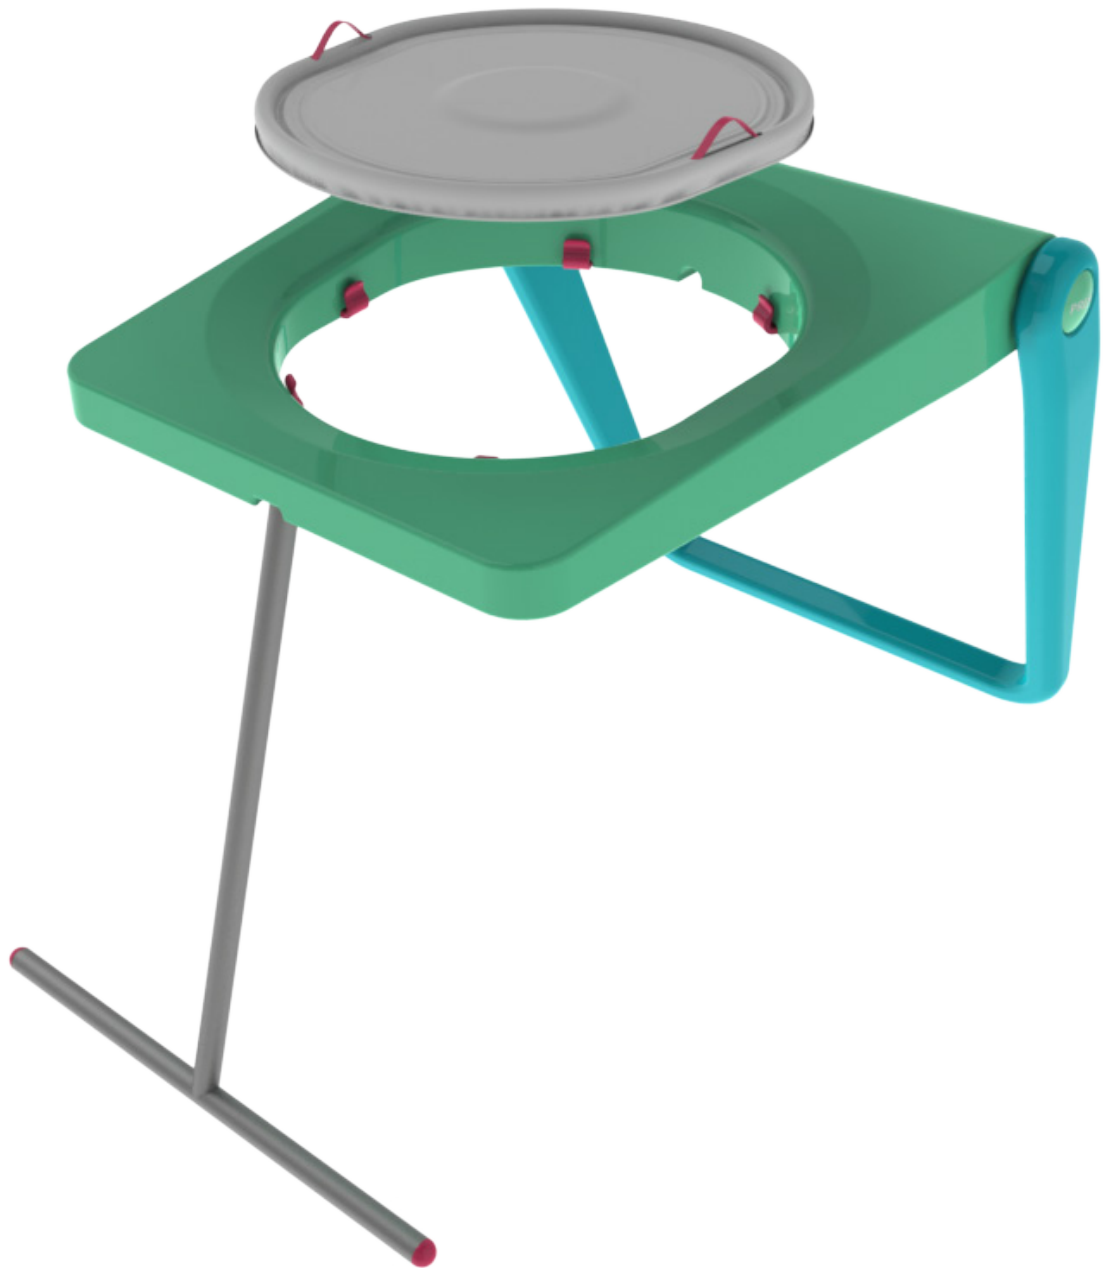

Closed-off easily with Velcro closure flap

Colours

LITTLE LOO will be available in a range of beautiful colour combinations

Easy Disposable Bags

LITTLE LOO will include a multi-pack of custom disposable + absorbent bags which will be manufactured from eco-friendly materials...

and our Bags will locate into the Seat securely and quickly with our spring-loaded clips situated in key positions around the inner edge.

All-in-one Carry Bag

Easily merchandised with a full colour Cardboard Sleeve

*packaging and carry bag still in development

Waterproof Neoprene material with carry handle - includes all the components of **LITTLE LOO**

full colour cardboard printed sleeve
